

PRABUDDHA MAJUMDAR

GENERAL MANAGER (O&M), GAIL INDIA LIMITED

PROFILE

I am an Instrumentation engineering graduate with 26 years' experience in Oil & Gas industry. Presently I am working as General Manager (Operations and Maintenance) and Officer in charge at Jhabua Compressor station, M.P. (India).

My main goal in my job is to use my technical and managerial skills to improve operational efficiencies and drive business growth of my company.

My goal to join IAET is networking with engineering professionals of various fields, and to use my experience to mentor young professionals.
